

7th Annual Sports Medicine Update

Presented by Washington University Orthopedics

Focusing on the School-aged to College Athlete July 20-21, 2012 • Drury Plaza Hotel at the Arch Course Chair: Mark Halstead, MD

program overview and general information

Objectives

This live CME activity is designed for pediatricians, family physicians, internal medicine physicians, sports medicine physicians, emergency medicine physicians, orthopedic surgeons, physical therapists, athletic trainers, physician assistants, nurse practitioners, chiropractors and nurses. The intended result of this activity is to provide current and stateof-the-art evaluation and management of common sports medicine topics by increasing competence and performance in caring for the school-aged to college athlete.

At the conclusion of this activity, participants should be able to:

- Develop an appropriate concussion management plan specific to the injured athlete for school personnel.
- 2 Demonstrate an age-appropriate knee and hip exam.
- 3 List common skin conditions affecting the athlete.
- Interpret lower-extremity and ankle radiographs of a young athlete.
- **5** Discuss stress fractures of the lower extremity of the young athlete.

Sponsored By

This live activity is being sponsored by Washington University School of Medicine, Continuing Medical Education.

Accreditation

Washington University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit

Washington University designates this live activity for a maximum of 10 AMA PRA Category 1 credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity. Washington University is recognized by the NATA Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers. This program has been approved for a maximum of 10 hours of Category A continuing education. Certified Athletic Trainers are responsible for claiming only those hours actually spent

participating in the continuing education activity. According to the educational levels described by the CEC Committee of the NAT.

Committee of the NATA, the following continuing education course is considered to be Advanced.

Washington University School of Medicine is an approved provider of continuing nursing education by the Missouri Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Participants can receive 10 contact hours

Disclosure

It is the policy of Washington University School of Medicine, Continuing Medical Education, to ensure balance, independence, objectivity and scientific rigor in all its educational activities. All faculty participating in this activity are expected to disclose to the audience any financial interest or other relationship he/she has with the manufacture(s) of any commercial product(s) discussed in an educational presentation.

Presentations are expected to be based on evidence that is accepted within the profession of medicine as adequate justification for their indication in the care of patients. All scientific research should conform to the generally accepted standards of experimental design, data collection and analysis.

Location

Drury Plaza Hotel at the Arch 2 South 4th Street St. Louis, MO 63102

Parking

Complimentary parking is provided for conference days in the Stadium East Parking Garage at 200 South Broadway.

Please note: If you are attending the evening networking baseball game (see below for more information), parking for that evening will be at your expense.

Hotel Accommodations

A special rate of \$125/night for a single room and \$145/night for a suite will be honored based on room availability. Be sure to identify yourself as an attendee of the Washington University Orthopedics Conference, group number 2137432. For reservations, please call 314-231-3003 by June 20th. After June 29th, the room rate will be honored based on room availability. A special parking rate of \$7 is available for overnight guests. To reserve online, visit: http://www.druryhotels.com/Reservations.aspx?groupno=2137432

Networking Event

Registration/Payment Policy

When registering online, you will receive acknowledgement of your registration immediately after placing the transaction. For registrations by check, you will receive confirmation by email once your check is received.

Please note: Washington University is not responsible for airline or hotel reservations.

Please confirm registration acceptance prior to purchase of nonrefundable or penalty airline tickets. If cancellation is received in writing by Wednesday, July 11th registration fee is refundable, minus a \$30 administrative charge.

Special Needs

Washington University Department of Orthopaedic Surgery fully complies with the legal requirements of the Americans with Disabilities Act and rules and regulations thereof. If any participant of this meeting is in need of accommodations, please do not hesitate to submit written requests at least one month prior to seminar date.

Evening at the Ballpark

Bring a friend and join us after the conference on Friday, July 20th for a St. Louis Cardinals baseball game vs the Chicago Cubs. Game time is 7:15pm.

Regular Cardinals tickets are \$35 each, located in Leftfield Box in Section 167.

All inclusive tickets are \$65 each, located in Homer's Landing or Leftfield Landing. All inclusive tickets include food and drink and an excellent view of the game.

Please limit 2 tickets per person. Tickets are sold on a first-come, first-served basis. Limited amount of tickets are available. Tickets will be distributed on the day of the conference.
