

Women in Ortho

Virtual Fireside Chat Series

Presented by: WashU Orthopedics

Moderated by: Dr. Kate Gerull and Dr. Anna Miller

Join us for a free monthly webinar series featuring thought leaders in orthopedic surgery discussing critical leadership and professional development topics. This career development series aims create an intentional space for discussion, skills development, and relationship building centered around the lived experiences of women in orthopedics.

If you are interested in attending future sessions, please register by clicking below or scanning the QR code.
